1000–1999	primarily for freshmen (0–29 credit hours)
200–299	primarily for sophomores (30–59 credit hours); freshmen may register

Students wishing to register otherwise must secure approval from the instructor of the course. Undergraduate students wishing to enroll in graduate courses for graduate credit must secure approval from the dean of the Graduate School.

Methods of Registration

Students can register either online or at the Office of the Registrar, Administration Building (ADM), Room 105.

Continuous registration for this semester begins on March 31 by classification. Please note the time frame on the [Academic Calendar](#). All students must see their assigned adviser before registration. **If students register online, it is their responsibility to make sure they have registered for the correct class(es).**

Registering for or adding classes

Registering for or adding classes from part-time to full-time or adding a class that has a course fee will **increase** the cost of attendance. Students who register for 19 hours or more will need to obtain the appropriate dean's signature for permission to register for an overload. Additional tuition is charged for 19 hours or above.

Closed classes

Adding or registering for closed class(es) requires approval by the **class instructor**. The individual granting the approval may contact the Office of the Registrar by email or note approval on the registration or drop/add forms. Office of the Registrar personnel will input the approved closed class(es).

Registration Times and Advising

Students must take following the steps before registering for class:

1. Check the calendar on [Page 3](#) for their registration beginning time.
2. Update address (online or at the Office of the Registrar).
3. Check and clear any registration holds (students can view holds online via the [MyENMU Portal](#)).
4. All undergraduate students must be advised and cleared for registration by their adviser.

Graduate students currently enrolled and new or readmitted students who have cleared admission without holds can register or add classes online or at the Office of the Registrar, Administration Building (ADM), Room 105, any time after their classification beginning time.

Current senior, junior and sophomore students with declared majors must be advised and cleared registration by their adviser. Once advising/clearance has been completed, the student can register online or at the Office of the Registrar, Administration Building (ADM), Room 105.

Current freshman students (0–29 hours) cannot register online. Currently enrolled freshman students who attended the previous semester can register (with adviser's signature) any time after their classification beginning time in the Advising Center, Student Academic Services (SAS), Room 214.

New freshman students with or without concurrent/dual enrollment credits who are clear for admission must schedule an advising appointment by calling 575.562.2338 or 888.ENMU.ADV (888.3668.238). Advising appointments will be available from 8 a.m. to 5 p.m., Monday through Friday, after their classification beginning time.

New transfer students who are cleared for admission must schedule an advising appointment with the Transfer Center by calling 575.562.2856. All transfer students will meet with an adviser prior to registration. Advising appointments will be available from 8 a.m. to 5 p.m., Monday through Friday, after their classification beginning time. Transfer students can declare their major during their appointment.

Dropping Classes

Approval for drops is not necessary except for freshmen. **Dropping from a course or courses can lead to a change in enrollment status (full-time to part-time), which could lead to changes in federal aid, scholarships, athletic eligibility or veteran's benefits. Please contact the Office of Financial Aid at 575.562.2194 for more information.** **Dropping classes is allowed during the first three business days of the semester.** Students may contact the Office of the Registrar at 575.562.2175 or Advising Center at 575.562.2338 for more information.

Withdrawing from Classes

If students withdraw from a class(es) after the last day of late registration, the withdrawal will be recorded as a "W" on their permanent record (transcript). **Withdrawing from a course or courses can lead to a change in enrollment status (full-time to part-time), which could lead to changes in federal aid, scholarships, athletic eligibility or veteran's benefits.** Students may contact the Office of Financial Aid at 575.562.2194 for more information.

Late Registration and Drop/Add

Students are encouraged to register before classes begin. Late registration can be processed online or at the Office of the Registrar, ADM 105, during normal office hours, 8 a.m. to 5 p.m., Monday through Wednesday, June 6–8 (July 4–6 for second 4-week courses). Freshmen should register in the Advising Center, SAS 214. Advising Center appointments can be made by calling 575.562.2338 or 888.ENMU.ADV (888.3668.238). Transfer students should register in the Transfer Center, SAS 107. Transfer Center appointments can be made by calling 575.562.2856 or 800.367.3668.

Students on academic suspension should contact the GSSC coordinator at 575.562.4399.

ONLINE REGISTRATION PREPARATION, PROCEDURE, AND WORKSHEET

Currently enrolled ENMU students (with the exception of freshman students, newly admitted students and undeclared students) will have an opportunity to register online. As students prepare to register online, they should read all instructions carefully and complete the "Online Registration Worksheet" on [Page 8](#) before logging into the system.

1. **Consult with an adviser.** Declared students must obtain registration clearance from their adviser before registering online or at the Office of the Registrar. Students should contact their adviser by phone, correspond by email or visit their adviser in person for registration/degree plan advice. **The importance of visiting with an adviser cannot be overstated.** Advisers can assist with the selection of an appropriate sequence of classes in order to complete a degree in an appropriate time frame. Advisers can assist students if substitutions need to be considered, and they can help students work toward a degree.
2. **Be aware of course restrictions, corequisites and prerequisites.**
Corequisites — A course required to be taken simultaneously with another. If students register for a class that has a corequisite (for example, the lab BIOL 2110L is a corequisite of BIOL 2110), and if either the class or the corequisite is closed, then the system will drop both classes and not allow registration for the class until an open class is selected for both the lecture and the lab.
Prerequisites — A course that must be completed prior to registering for another. It is the student's responsibility to be aware of and to accommodate enrollment restrictions for all courses. Information on prerequisite requirements can be determined by reading the course description for a course, accessible online from either the University catalogs or by checking on a course CRN (Course Reference Number) in the schedule.
3. **Be aware of record holds.** Students will not be able to enroll if their record has any holds. These holds include: Admission (both graduate and undergraduate), Suspension (graduate and undergraduate) and Disciplinary. See [Page 6](#) for a list of holds and where they can be released.
4. **Addresses** can be updated online at my.enmu.edu or at the Office of the Registrar.

Classes are subject to change or be canceled at any time and may not be offered each semester or every year. Any course may be withdrawn from current offerings due to legislative action or enrollment too small to justify conducting the course.

Online Registration Restrictions

1. Classification is based on hours earned and is not affected by the hours of current enrollment.
2. Undergraduate students cannot register for graduate courses online.
3. A class that requires clearance (i.e., an overload, directed study, individual research or internship) must be cleared through the appropriate dean's office.

Online Registration Procedure

To register for classes online, students should do the following:

1. Log in to the MyENMU Portal at my.enmu.edu.
2. Choose from the menu option **Registration** on the left side of the page.
3. Choose **Add/Drop Classes**.
4. Select **Term** and **Campus**.
6. Select **Add/Drop Class**.
7. Enter CRNs in boxes provided and submit.
8. View/print class schedule – click on **Student Schedule** to view or print a copy of the class schedule.

Online Registration Worksheet

To aid in online registration, students should complete this form with alternate choices before logging in to the portal to register for classes.

Course Reference Number (CRN)						Course Discipline	Course Number	Session	M	T	W	R	F	S	SU	Time

Changes to Course Numbers

Course numbers are in the process of being converted to a new subject code, number, etc. to follow the state-wide common course numbering system (CCNS). For example, ENG 102 is now ENGL 1110.

When searching for available courses online, please note that some courses in one discipline may appear under multiple subject codes. For example, English courses will show up under both the "English (ENG) – Portales" and "English (ENGL) – Portales" searches.

ADMISSION INFORMATION

Undergraduate Admission

Undergraduate applications for admission are processed in the Office of Enrollment Services, Student Academic Services (SAS), Room 107. Students may apply online at enmu.edu/ApplyNow. More information about how to apply is available at enmu.edu/Apply. All students must be admitted to the University prior to registration. Admission requirements are listed in the [current Undergraduate Catalog](#). For additional undergraduate information, students should call 575.562.2178 or 800.367.3668.

Graduate Admission

Graduate applications for admission are processed in the Graduate School, Administration Building (ADM), Room 212. Students may apply online at enmu.edu/ApplyNow. Admission requirements are listed in the [current Graduate Catalog](#). Students who need additional information should call 575.562.2148 or 800.367.3668, ext. 1.

Application for Readmission

Former students (undergraduate and graduate) not enrolled at ENMU must reapply for admission. Admission requirements are listed in the [current Undergraduate Catalog](#) and [current Graduate Catalog](#) for returning students.

ENMU-Roswell or ENMU-Ruidoso Students

Students attending classes at ENMU-Roswell or ENMU-Ruidoso may change attendance to ENMU-Portales without charge. The [Intra-Campus Transfer Form](#) is available for degree or non-degree Portales attendance. Students who become degree-seeking at ENMU-Portales will need to take a majority of their classes from ENMU-Portales. This form is available online at enmu.edu/InterCampusTransfer.

Application for New Mexico Residency

To facilitate early approval of residency for tuition purposes, out-of-state students should apply for residency before classes begin. While the requirements for residency must be completed before the institution's census date, a petition received after that date will not be considered for the current semester but applied to the next regular semester (fall/spring). A petition for residency must be completed with proper documentation. Undergraduates will need to contact the Office of Enrollment Services, SAS 107, at 575.562.2178 to make an appointment. Graduate students will need to contact the Graduate School, ADM 212, at 575.562.2147 to make an appointment.

Active duty military personnel and their dependents stationed in New Mexico can petition for the [out-of-state tuition waiver](#) upon their first enrollment. The military waiver requirements must be completed before the institution's census date. A military waiver received after that date will not be considered for the current semester. A new military waiver will need to be completed ensuring military affiliation for any future semesters. The initial military waiver, once on file, will remain valid as long as the student is continuously enrolled. A semester without enrollment, however, will require a new military waiver upon the next enrollment. Active duty National Guardsmen, but not their dependents, are eligible for the waiver following the same procedures. Undergraduates will need to contact the Office of Enrollment Services, SAS 107, at 575.562.2178 for additional information. Graduates will need to contact the Graduate School, ADM 212, at 575.562.2147 for additional information. The Military Waiver Form is available online at enmu.edu/MilitaryWaiverForm.

New Freshman Students

All entering freshman students must make an appointment for individual advising at the Advising Center, SAS 214. Students should call 575.562.2338 or 888.ENMU.ADV (888.3668.238) for more information on setting up an appointment. Students must be fully admitted to ENMU before their advising and registration appointment.

Transfer Students

All entering transfer students must make an appointment for individual advising at the Transfer Center, SAS 107. Students should call 575.562.2856 for more information on setting up an appointment. Students must be fully admitted to ENMU before their advising and registration appointment.

FINANCIAL AID INFORMATION

Please note: Students should contact the Office of Financial Aid directly at 575.562.2194 to review any changes to regulations that might supersede the information provided in this document.

The U.S. Department of Education Federal Student Aid programs and the State of New Mexico provide scholarships, grants, loans and work-study employment assistance to qualifying students. Federal and state aid can help cover expenses such as tuition and fees, housing and food, books and supplies, personal expenses and transportation. Go to studentaid.gov or hed.state.nm.us for general information on these programs.

- The Free Application for Federal Student Aid (FAFSA) should be completed annually at fafsa.gov.
- Verification processing must be finished before federal student aid will be awarded.
- The FAFSA academic aid year at ENMU is fall, spring, summer.

Eligibility Requirements

- Students must be fully admitted into a degree-seeking program and meet the [Satisfactory Academic Progress \(SAP\) requirements](#) of their degree program to receive federal student aid funds.
- Students must have a FAFSA before their SAP status will be updated for a new term.
- Students must be registered for summer courses before aid eligibility will be reviewed for the term.
- There are maximum eligibility limits for some federal and state student aid funds. Students will not be awarded in excess of any limitations. Students can log in to studentaid.gov to view aid history in their account dashboard.
- Federal student aid will pay **one time** for students to repeat a previously passed course. Grades of "A," "B," "C," "D," "S" and "CRE" are considered passing whether that is the grade required by the degree program or not.

Awarding

Many financial aid awards are based on the financial need resulting from the costs of the award year. Therefore, awards for the aid year will be split evenly between the fall and spring semesters. Outside scholarships are also applied this way unless the donor stipulates otherwise.

- Summer financial aid is available to students who have eligibility remaining for the academic award year which was not used in the fall and spring semesters.
- Students who plan to leave ENMU during the award year should advise the Office of Financial Aid in writing as soon as possible so any future term's aid may be canceled.
- Students entering ENMU in the spring or summer term must notify Financial Aid about awards already received at another school within the same award year.
- Fall/Spring awards are made to students who are admitted to ENMU. Summer awards are made to students who are admitted and registered for classes.
- Students may view their financial aid awards and academic progress status online: Go to my.enmu.edu, select the "Financial Resources" menu and choose "Financial Aid Status."

All financial aid offers are based on information provided by students and/or spouses and parents of students, availability of funds and eligibility requirements. Any award may be revised based on changes in enrollment, cost of attendance, or failure to meet satisfactory academic progress. Withdrawals or reductions in enrollment may affect an award or future awards. Financial aid will not pay for audits or some repeats. Offers are subject to revision at any time due to changes in policy, law, regulations, additional resources, calculation or funding.

Other Financial Assistance (Resources)

Other financial assistance refers to any outside scholarships, tuition waivers, stipends, state or federal program awards, including Workforce Innovation and Opportunity Act (WIOA) or Division of Vocational Rehabilitation (DVR), participation awards or grants or assistance received by the student other than federal or state financial aid. These amounts are required by law to be included as financial aid resources for the academic aid year, even if they are not paid through the ENMU Office of Financial Aid.

Failure to notify ENMU about these resources could jeopardize a student's financial aid awards and lead to adjustments in the amount of aid they receive. To report additional resources, students should email the Office of Financial Aid at financial.aid@enmu.edu or call 575.562.2194 or 800.367.3668.

Required Enrollment

- Students should enroll in coursework required for their degree.
- Pell grants are awarded with 12 hours as the full-time financial aid enrollment standard for all terms, including summer. Disbursement will be prorated for students who are enrolled part-time (less than 12 credit hours). Summer Pell grants, if awarded, require a minimum half-time enrollment, six credit hours, for students who received full-time awards in fall and spring. Students who did not receive full-time awards in fall/spring may have a lower minimum credit hour requirement
- Federal student loans require a minimum half-time enrollment, six credit hours for undergraduates, five credit hours for graduates.
- Students classified as graduates or levelers must be half-time enrolled in coursework which applies to their program of study.
- Student attendance will be reported by faculty at the end of each term's drop/add period. If reported enrollment is less than full-time, federal financial aid awards will be recalculated.

Student Loans

Students will be offered Federal Direct Loans based on financial need, dependency status and grade classification. Undergraduates may be offered subsidized or unsubsidized Direct Loans, while graduates are only eligible to receive unsubsidized Direct Loan offers. ENMU suggests students use subsidized loan funds first as the U.S. Department of Education pays the interest on these loans under certain conditions. More information is available at studentaid.gov.

Federal Direct Loan funds must be disbursed in two payments as follows: Students who borrow for the fall/spring academic aid year will receive their first loan payment in the fall semester and their second loan payment in the spring semester. Students who borrow for one semester will receive their first loan payment at the end of the semester's drop/add period and their second loan payment at the end of the semester's midpoint. One-semester loans are for students who graduate in the fall, students who enter ENMU in the spring, students who begin a new ENMU degree program in spring and students who take summer courses. These dates are available at enmu.edu/AcademicCalendar. First-time Direct Loan borrowers will receive their first disbursement 30 days following the beginning of their first semester.

ENMU encourages frugal borrowing practices when considering a loan of any type. Students and/or parents should borrow only what is necessary to cover actual educational expenses.

Scholarship Continuation

- Students should review their award notification for scholarship continuation criteria. These criteria should be considered before making any changes to enrollment.
- Scholarship continuation will be reviewed after grades post at the end of each semester.
- Transfer students should provide any required forms and/or transcripts from their prior school if they have scholarships which should continue at ENMU.

Aid Disbursement

At the end of the drop/add period each semester, ENMU will automatically transfer student's financial aid and scholarship awards to their student account to pay toward allowable institutional expenses for courses the student is attending. Allowable institutional costs may include: tuition, student fees, and on-campus housing and food. Students may also authorize their aid to pay a portion of non-institutional charges for the current or prior year's expenses.

Any aid received in excess of posted, allowable institutional costs will be refunded to students in the form of a check or direct deposit from the Office of Student Accounts approximately 10 days after the beginning of each semester. If financial aid and scholarship awards will not cover the entire semester's costs, students are liable for their student account balance.

Returning Title IV Federal Student Aid (R2T4)

Title IV Federal Student Aid funds are awarded under the assumption students will attend classes for the entire period for which the aid is awarded. When students completely withdraw, officially or unofficially, they may no longer be eligible to receive the full amount of Title IV aid originally awarded. Academically related attendance activities are recorded by physically attending classes, taking exams, submitting required assignments, attending school-assigned study groups, etc.

When students who begin the academic period do not complete at least 60 percent of the period, a recalculation must occur to show the percentage of aid that was earned. This percentage is derived by dividing the number of days the student attended by the number of days in the period.

If the amount of aid disbursed to the student is greater than the amount of aid the student earned, any unearned funds must be returned to the appropriate aid program. If the amount disbursed to the student is less than the amount the student earned and for which the student is otherwise eligible, any earned funds may be made available to the student as a post-withdrawal disbursement.

Students who receive all "F" grades for the semester will be considered as unofficially withdrawn.

Unearned funds will be returned to the U.S. Department of Education in this order:

- Federal Direct Unsubsidized Loan
- Federal Direct Subsidized Loan
- Graduate PLUS Loan
- PLUS Loan
- Pell Grant
- FSEOG Grant
- TEACH Grant
- Iraq and Afghanistan Service Grant

Students withdrawing from classes are liable for any balance due to ENMU after the return of federal student aid funds. The current ENMU R2T4 policy is available at enmu.edu/R2T4.

Satisfactory Academic Progress

Satisfactory academic progress (SAP) standards are measured at the end of each semester to ensure students receiving federal student aid funds-grants, work-study, Direct, PLUS and Perkins Loans are meeting these requirements:

Completion Rate – Attempted hours should be completed.

GPA – Grades earned should be sufficient to apply to a degree or certificate plan.

Maximum Time Frame – Degree program must be completed in a timely manner.

Following is the policy used by ENMU in compliance with federal regulations to determine students are meeting SAP and should be considered to receive Title IV Federal Student Aid:

SAP Requirements

Degree	Completion Rate	GPA	Maximum Time Frame
2-Year Certificate	67%	2.0	56 attempted hours
Associate	67%	2.0	106 attempted hours
Bachelor's	67%	2.0	196 attempted hours
Second Bachelor's	67%	2.5	Appeal required
Teacher Certification	67%	3.0	30 attempted hours
Preparatory Leveling	100%	---	1 calendar year
Master's	67%	3.0	70 attempted hours
Second Master's	67%	3.0	Appeal required

Cumulative Completion Rate

The percentage of work a student has successfully completed at all post-secondary institutions. All attendance, including part-time coursework, remedial coursework, repeated coursework, coursework waived under academic amnesty and periods when students did not receive financial aid, are counted in the cumulative hours attempted and other SAP rules.

$$\text{Completion Rate} = \frac{\text{Cumulative Hours Passed}}{\text{Cumulative Hours Attempted}} \quad \text{Example: } \frac{60 \text{ Passed}}{74 \text{ Attempted}} = 81\%$$

Cumulative GPA

The cumulative grade point average earned on all coursework at all post-secondary institutions.

Maximum Time Frame

Maximum time frame is calculated as 150 percent of the hours necessary to complete the degree program and includes all attempted hours from all post-secondary institutions. Title IV Federal Student Aid expires when students appear to lack more hours than they can complete within the maximum time frame limit for their degree program.

Students will begin to be monitored when they reach approximately 120 percent of the hours necessary to complete their program. Students may be asked to petition for reinstatement and provide supporting documentation to show their degree program can be completed within the maximum time frame. Students who lack more hours than can be completed before reaching the maximum time frame limit may petition for reinstatement to receive an extension of Federal Student Aid.

The procedure for reinstatement of federal student aid includes submitting a Petition for Reinstatement, an Academic Success Action Plan (ASAP) and a current Degree Plan Checklist or CAPP Degree Evaluation Report. If approved, students must only enroll in the hours listed on their ASAP and complete all attempted hours with the GPA required by their program in order to continue receiving Federal Student Aid.

Students pursuing a subsequent bachelor's or master's degree must petition for reinstatement and should thoroughly explain and document the need for a further degree, including any extreme mitigating circumstances.

Teacher Certification (Alternative Licensure)

Teacher certification applies to students who already have a bachelor's degree and are returning for certification only. Preparatory leveling applies to students who already have a bachelor's degree but must complete undergraduate prerequisite courses before enrolling in an eligible program. Prerequisite courses must be completed with a grade of "B" or above for the student to continue receiving federal student aid funds for one calendar year.

Grade Calculation and Completion

Grades of "F," "I," "U" and "W" are considered unsuccessful completion of the course and count against a student's completion rate and maximum time frame calculations. Grade of "S" will count as work completed and will be counted as successful completion of the course. Since no grade point is given for the grade, it is not calculated into the GPA.

Successful completion of the term is defined as completion of all attempted hours with grades sufficient to satisfy the degree plan requirements. Title IV Federal Student Aid funds may be awarded once for a previously passed course.

ENMU Financial Aid SAP Status

Students must have a current FAFSA and all official transfer transcripts submitted to ENMU before their SAP status can be reviewed. ENMU updates SAP status for continuing students at the end of each semester, following the official posting of grades. New students and transfer students will be assigned an SAP status based on their cumulative transcript history.

SAP Status

Academic Progress	Status	Result
Meeting Completion Rate and GPA	Eligible: Meeting SAP Policy	Eligible
Not Meeting Completion Rate and/or GPA (New or Transfer Students)	Ineligible: Rate/GPA	Not Eligible
First Failure Completion Rate and/or GPA (Continuing Students)	Warning: Meet SAP by Next Term	1 Semester Provisional Eligibility
Second Failure Completion Rate and/or GPA (Continuing Students)	Ineligible: Rate/GPA	Not Eligible
May Exceed Maximum Time Frame	Ineligible: May Exceed Max Time	Not Eligible
Exceed Maximum Time Frame	Ineligible: Over Max Time Limit	Not Eligible
Approved Petition/Academic Plan	Probation/Follow Plan	1 Semester Provisional Eligibility

Students may review their financial aid academic progress online by accessing their [MyENMU Portal](#) account and following links to the financial aid academic progress status. Students with Provisional Eligibility should use this opportunity to prove they can make successful progress. Ineligible students will lose Title IV Federal Student Aid funding eligibility and have to pay for classes on their own until they are meeting SAP requirements or completing a successful reinstatement request.

Reinstatement

The Scholarship and Financial Aid Committee will review written requests for reinstatement from students who have extreme mitigating circumstances which prevented them from complying with the SAP Policy. Mitigating circumstances are defined as unanticipated and unavoidable events beyond a student's control. An approved petition will not extend eligibility that has exceeded federal limitations. Petitions for Reinstatement will not be accepted beyond the midpoint of each semester. Contact the ENMU Office of Financial Aid at 575.562.2194 for more information.

Academic Progress

Academic progress maintained by Financial Aid is not the same as Academic Standing, which is maintained by the Office of the Registrar. Students must be academically eligible and registered at ENMU before written requests concerning academic progress will be reviewed. The current ENMU SAP Policy can be accessed online at enmu.edu/SAP.

Contacting the Office of Financial Aid

Because financial aid is unique to each student, it's important to contact the experts with questions concerning awards or processes. Students may contact Financial Aid to schedule an appointment by calling 575.562.2194 or 800.367.3668 or by emailing financial.aid@enmu.edu.

GENERAL INFORMATION

MyENMU Portal

Students have access to [MyENMU Portal](#), which allows them to easily log in to all ENMU services with a single login. Students can use the portal to get University announcements, use Canvas, check email, change personal ENMU account information, update mailing addresses, check account balance, access online payment system and more.

Accessing the MyENMU Portal

Generally, a student's username is the last name followed by the first initial, the same as the student's computer login. The username is always in lowercase. For example, Jason Beach might have a username of beachj.

For help with correct username or password information, students should call the ITS HelpDesk at 575.562.HELP (575.562.4357).

Accessing and Using Online Course Accounts

Online classes and supplemental materials are delivered through Canvas, a course management system and virtual learning environment. Students can access their Canvas accounts from a computer or device connected to the internet that meets the [minimum technology requirements](#). Students can access Canvas through the MyENMU Portal (recommended) by using the following steps:

1. Log in to the MyENMU Portal at my.enmu.edu.
2. The Canvas link will be on the left menu and will take students directly to their Canvas account. No additional login is needed.

Note: The Mediasite systems use the same network login information as the portal (but do not use the sd\). All passwords must be changed in the portal.

ACT-Residual Testing Dates

Students are strongly encouraged to take the ACT on the National ACT test dates. However, if this is not possible, students should call Accessibility Resources and Testing Center at 575.562.2280 to obtain information about the ACT-Residual tests offered on a few dates during the summer.

Address(es)

An incorrect address results in students not receiving correspondence from the University. Students can update their addresses [on the portal](#) or at the Office of the Registrar or Office of Human Resources.

ID Cards

New students may obtain ID cards from the Office of Enrollment Services, SAS 107, Monday through Friday from 8 a.m. to 5 p.m. or by filling out the ENMU ID Card Agreement Form located within the MyENMU Portal. The cost of the ENMU ID is \$25 and is charged to the student's account. Students should check with Enrollment Services for lost and found cards; replacement cards are \$10. All new students are charged an ENMU ID Card fee.

To access the ENMU ID Agreement form on the MyENMU Portal:

1. Log in to the MyENMU Portal at my.enmu.edu.
2. In the top menu bar, select **Forms/Downloads**.
3. In the menu bar that appears in the middle of your screen, select **Enrollment Services**.
4. Select **Identification Card Agreement** – fill out the form and upload your headshot and identification verification document. Make sure to review the headshot requirements located at the top of the form.

After submitting the form, you may contact the Office of Enrollment Services (575.562.2178) to make arrangements to pick up your card. Please allow 48 hours for card processing. If no arrangements are made, your ENMU ID Card will be mailed to your permanent/parent mailing address that is on file with the ENMU Office of the Registrar.

Please make sure you have updated your address before submitting the form. To update your address, fill out the Name, SSN, Gender and Address Change form. Cards sent to an incorrect address that has not been updated will result in a replacement charge.

The ENMU ID card is used to pick up payroll checks and financial aid proceeds, access labs, attend sports events, charge or sell books at the ENMU Campus Bookstore, use selected services of the GSSC/Golden Library and utilize meal plans. ENMU ID cards and any services coded on the card are not transferrable to anyone other than the student to whom the ID card is issued by the University. Only the student shown on the ENMU ID card can use the services specific to their card, including, but not limited to, the meal plan at the Crossroads Café Dining Hall. Unauthorized use of your identification card, use by a party other than the person identified on the card, and tampering with or altering the card, warrant confiscation and possible disciplinary action by the University.

Email

Though email accounts are automatically created when students are fully admitted, the accounts must be activated. Students can activate their account to get their username, password and email address at enmu.edu/AccountPickup.

Students can also activate their account from any computer lab on campus by clicking the "activate account" icon available on the desktop of all lab computers. Activation is only necessary one time for the entire time enrolled at ENMU, but students can access the information again to see the initial settings. Students who do not have account information should call the HelpDesk at 575.562.4357.

Note: The student's ENMU email account will be the only address used for official University or course correspondence.

GOLDEN STUDENT SUCCESS CENTER

The Golden Student Success Center (GSSC) houses the Golden Library, Distance Learning, and Tutoring and Supplemental Instruction. Canvas Help

Canvas offers 24/7/365 support through email, chat and telephone support. After a student enters the Canvas system, they will find the HELP link (on the left-hand panel) for guides with step-by-step instructions.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974 (FERPA)

The Family Educational Rights and Privacy Act provides eligible students with certain rights with respect to their education records. Education records are those records that are directly related to a student and maintained by ENMU or by a party acting for ENMU, with some exceptions.

ENMU students attending in person and those attending by other means, such as video conference, satellite and internet, are covered by FERPA. Additional information about student rights under FERPA is available in ENMU's Annual Notice to Students Regarding FERPA Rights and ENMU's Notice Designating Directory Information under FERPA. These Notices can be accessed by students at enmu.edu/FERPA. Students may also contact the Office of the Registrar for additional information regarding their rights under FERPA.
