Dear Student Fees Applicant,

Enclosed is the Student Fees Application for 2009-2010.

This application must be filled out in its current format for your organization to be eligible. Please be as detailed as possible when describing your current and projected budgets. The Student Fees Board will analyze how the money allocated for 2008-2009 was spent; Student Fee Board members want to ensure Eastern students are benefiting from the use of their money.

*If you are a registered student organization please be advised that you are to request money through ASENMU Senate and not Student Fees.

Student Fees Application Deadline: 5 p.m., Monday, March 16, 2009.

You may e-mail the application, or submit a hard copy in to ENMU Station 39 or the ASENMU office, CUB Room 11. Once all packets are in, you will be contacted to set up a time to meet with the board.

The Student Fees Board will meet March 21-22, 2009 for presentations; student representatives are encouraged to attend the hearing to ensure a better understanding of the benefit to students.

Direct any further questions to Student.Government@enmu.edu

Sincerely,
