A COURSE EQUIVALENCY TABLE WITH

EASTERN NEW MEXICO UNIVERSITY PORTALES

2001-2003 CATALOG

This articulation is provided to assist students who wish to transfer to Eastern New Mexico University from New Mexico Military Institute. Students transferring to Eastern New Mexico University must complete an application for admission and have an official copy of their transcript sent to the Admissions Office. The course work will be evaluated and a copy of the evaluation will be sent to the student.

The following pages indicate the equivalent course numbers between the two institutions and those that will be accepted as "Elective." "Elective" courses do not correspond to specific ENMU courses. They will be counted as lower division electives on a degree plan unless determined to meet other requirements by a program. Two types of elective courses can be identified. When NMMI offers courses that share a common academic discipline with ENMU, the elective will be identified by the ENMU discipline prefix followed by "LD," e.g., BIOL LD. Electives for which ENMU does not offer a comparable discipline are identified as "Elective LD."

There are notations by some areas and courses in the document. The explanation of these notations is indicated below.

¹Course meets class requirement, but not upper division requirements.

DEV-Courses are developmental in nature and do not apply to a degree.

LD-The course counts as a lower division course.

NC-No credit is given for the course.

If you need an application, admissions brochures, or have questions for the Admissions Office, please write or call our toll-free number (1-800-367-3668).
