enmu.edu/HealthServices

Monday–Friday
8 a.m. to 5 p.m.

All other appointments can be scheduled at the La Casa Corporate Office.

Full-time students should bring an ENMU ID with current activity sticker to every appointment.

Activity stickers are available at the Cashier windows in the lobby of the Administration Building (AD).

Part-time students can be seen at ENMU Student Health Services for full services, but have to pay \$2 for each missing credit hour short of being a full-time student.

Payments can be made at the Cashier windows in the Administration Building Lobby.

NEW MEXICO UNIVERSITY

Student Health Services
Curry Hall, ENMU Campus

Student Health Services

La Casa Family Health Center is proud to provide health services to the students of Eastern New Mexico University.

Campus-Based Services

Acute care (sick visits): evaluation and management of sore throats, rashes, coughs, or strains/sprains

Preventative care: physical examinations, family planning, pregnancy tests, STD screening, TB testing, emergency contraception

Wellness: health risk assessment through medical history and lab testing, lifestyle management and education

Disease management: episodic care for and management of stable chronic conditions including asthma, obesity, hypertension, with referral to La Casa's main site for on-going care as needed

Prescriptions: La Casa will provide prescription medication under the federal 340B prescription drug program

Insurance information: on-site screening for NM Health Insurance Exchange Program insurance plan enrollment

All ENMU students are also welcome to use the following services provided at La Casa Family Health Center just a few blocks from the ENMU-Portales campus at 1515 W Fir St.

Primary medical care: primary medical care for the entire family (includes: family practice, obstetrics, gynecology, pediatrics and internal medicine)

Dental services: general and cosmetic dentistry

Promotora/Outreach: education and enrollment for eligible clients into Medicaid, Medicare and other programs, and education for preventative health promotion and family self sufficiency

Breast and cervical cancer program: offers uninsured/underinsured female patients over the age of 30 free screening for early detection of breast and cervical cancer

Sharing the Care™ medication assistance: providing Pfizer's most advanced pharmaceutical products to the low-income population

340B Drug Pricing Program: provides medication to patients who may not otherwise be able to afford their prescriptions

Fees for Services

Insured ENMU students: insured students will be required to present their insurance/Medicaid/Medicare card at the time of service. La Casa will file insurance claims for payment and co-pays are paid by ENMU.

Uninsured ENMU students: La Casa will help uninsured students enroll in an insurance plan for which they qualify.

All labs for ENMU students are \$10.

Sliding Fee Scale

La Casa offers a sliding fee scale to those who do not have insurance. The fee is based on income and household size and may be as little as \$20 per office visit.
